Tudor Choristers' 59th season recognises two significant birthdays: English composer John Rutter CBE turns 75 and Tudor Choristers' founder David Carolane OAM turns 90. Rutter's music was the focus of my Master of Music dissertation when Rutter turned 50. I had the opportunity to visit and interview Rutter in his home studio. He has since become the world's most

performed and successful living composer of choral music, writing music that is recognisably steeped in British choral tradition. Rutter's music is featured in three of our four concerts. Also included are favourite works that were directed by Carolane during his tenure leading the Tudor Choristers.

We divert our usual schedule to perform for the first time in Australia's premier, international choral festival: *Festival of Voices* in Hobart, with concerts at Government House and also in the renowned *Voices @ 5* concert at Hobart Town Hall. We look forward to welcoming you to our concerts throughout the 2020 season and hope you will also join us at our "farewell" concert prior to our trip across Bass Strait. Dr Kathleen McGuire, Music Director

#### ***Choralships – A New Venture***

The Tudor Choristers invites you to support our exciting new venture. "Choralships" will provide honorariums to emerging singers, men and women aged 18 to 30, while honing their vocal skills and developing their knowledge of choral repertoire as members of the choir. If you wish to make a tax deductible contribution to the Choralship fund, please add a donation when purchasing your tickets.

The Tudor Choristers was founded in Melbourne in 1962 by David Carolane OAM. It soon expanded to become one of Victoria's pre-eminent choirs, specialising in unaccompanied music. Notable guest conductors have included Sir David Willcocks and Sir Philip Ledger.
